ALBERTA'S IRON HORSE TRAIL

Alberta's Iron Horse Trail is the perfect getaway for families looking to explore the Lakeland. The trail itself is 300km long which means you get to travel through some interesting countryside; from sweeping vistas of the North Saskatchewan River valley to the hushed coolness of the boreal forest. Numerous wetlands showcase the beavers' architectural talents, swaying fields of silver barley, wonderful yellow stretches of canola in bloom and grazing cattle in complete harmony with the abundant wildlife along the trail.

There are plenty of rest stops to enjoy a picnic lunch or weiner roast. The trail is open for ATV's bicycles, hiking, horse riders and waggoneers in the summer and snowmobiles in the winter.

Make sure you allow for time to visit some of the historical sites in the region, Fort George Buckingham House, Metis Crossing and local museums. Art walks, golf courses, trout fishing ponds, skate board and water parks are just a few of the other attractions you will find in the communities along the trail.

Try a craft beer flight, tour a distillery or sit down to a charcuterie board at a local cider house. There are many local eateries offering delicious choices throughout the day with local produce and meats highlighted on their menus.

Relax in the evening at one of the B&B's along the trail or set up camp at a local campground. Come for a day, a weekend or a week. Alberta's Iron Horse Trail is a wonderful way to explore the Lakeland's culture, outdoor experiences, culinary delights and warm inviting people. We are sure you will return time and time again.

ST. PAUL AG SOCIETY

The St. Paul Agricultural Society has been a very viable organization in the St. Paul community since December 8, 1914. We are recognized as a great organization thriving in a strong agriculturally focused and supportive community. Linking people to the past and present by celebrating our agricultural way of life.

Throughout the year we have many events including the High School Rodeo, Ranch Rodeo and the LRA Finals.

We also have a riding arena – you can buy a membership to ride from October to July.

We also have 2 meeting rooms available to rent. See our website for more information.

Swimming is a life skill and by swimming at least twice a week our swimmers come out with increased confidence in the water. Choose between competitive or non competitive, for ages 5+

No previous experience is required. It is suggested that swimmers be able to swim one length of the pool.

Coaches assess new swimmers to give their recommendation for placement in the appropriate level.

Our swim season begins in early October and continues to Mid March. Come join the fun!
